FCO deems remedy package offered for Tele Columbus acquisition insufficient

Unterfoehring, February 18, 2013 – The German Federal Cartel Office ('FCO') today informed Kabel Deutschland ('The Company') of its preliminary assessment on the remedy package offered on January 22, 2013. The FCO judges the proposed divestment of network assets as insufficient to overcome its concerns.

Kabel Deutschland offered the disposal of Tele Columbus networks in the cities of Berlin, Dresden and Cottbus. The FCO, however, requires the divestment of approximately 60% of the Tele Columbus networks in Eastern Germany – twice as many as offered by Kabel Deutschland.

The Company now expects the Federal Cartel Office to prohibit the planned acquisition of Tele Columbus.
